Press Release

FJM Introduces SL-503 the newest addition to the lock box family!

Seattle, WA, December 3, 2019: FJM Security Products announces the new addition to ShurLok and KeyGuard lockboxes.

The SL-503 is a new large lock box that will be able to store multiple keys, fobs, and cards in one convenient place. The 4 dial combination system makes it easy to access your keys inside of the large combination lock box. Using the easy-access lever located inside of the lock box, you can easily secure your lock box or remove your lock box from the door handle. The mini sliding door protects your dial combinations.

- Sturdy, metal 4 dial combination lock box perfect for keycards and regular keys
- Solid metal with zinc die-cast locking cover
- Easily re-set your combination with the Four-digit dial function
- Black/silver finish
- Easily remove/secure your large lock box to the door by using the secure latch on the interior of the lock box
- Protective door to protect dial combination
- Rust resistant
- Rubber bumper on the back to prevent doors from scratching
- Imprinting available
- Large capacity combination lock box can hold up to 20 keys, multiple key fobs or RFID cards
- Secure- 10,000 combination possible
- One year warranty
- Front facing large key safe box
